List of Abbreviations	5
Executive Summary	6
1 Introduction	11
2 Approach and Methodology	13
2.1 Description of the assignment (objectives and evaluation questions)	13
2.2 Methodology	13
3 Findings	15
3.1 The requirements of the new EU Regulations and the existing national legal and procedural framework	15
3.2 Comprehensiveness of existing electronic systems	22
3.3 Compliance of the electronic systems with the checklist	27
3.3.1 Ease of use	28
3.3.2 Administrative burden	30
3.3.3 General usefulness	31
3.3.4 Data querying and data aggregation	34
3.3.5 Data quality	36
3.3.6 Data security	37
3.3.7 System stability	38
3.3.8 Technology	40
4 Conclusions	41
4.1 Conclusions related to the requirements of the new EU Regulations and the existing national legal and procedural framework	41
4.2 Conclusions related to comprehensiveness of existing electronic systems	41
4.3 Conclusions related to compliance of the electronic systems with the checklist	42
4.3.1 In terms of quality of the existing electronic systems, the results of this evaluation show that many improvements are needed in various aspects.	42
4.3.2 Strictly from the technical point of view, all the systems prove to be satisfactory, with only few particular exceptions where improvements are required:	42
4.3.3 The area where most of the systems disappoint relates to satisfying the users' needs:	43
4.4 Other conclusions	43
4.4.1 The existing electronic systems are not able to interface each other.	43
5 Recommendations	45
5.1 Recommendations for ensuring the coverage of the e-Cohesion minimal requirements	45
5.1.1 Finalising the implementation of MySMIS for the 6 current OPs it was designed for	45
5.1.2 Extending MySMIS in the area of ETC	46
5.1.3 Covering the minimal requirements for SOP HRD	46

UNIUNEA EUROPEANĂ

GUVERNUL ROMÂNIEI

Instrumente Structurale
2007 - 2013

5.2	Recommendations for improving the existing electronic systems used by the authorities	46
5.3	General recommendations for all electronic systems	47
5.3.1	Ensuring continuous software development support, especially for MySMIS, SMIS and MIS-ETC (which could be brought under the same ownership as SMIS in order to concentrate the efforts):	48
5.3.2	Ensuring continuous training of all users:	48
5.4	Other recommendations	48
5.4.1	Any new development should take into account the opportunity to use data already existing within other databases / systems.	48
 Annexes		49
	Annex 1 Completed Checklists	50
	Annex 2 Questionnaires	73
	Annex 3 Interview Structure	83
	Annex 4 List of Interviews	83
	Annex 5 Focus Group Agenda	85
	Annex 6 Focus Group Presentation	86
	Annex 7 Focus Group List of Participants	90
	Annex 8 List of Analysed Documents	91

List of Abbreviations

Abbreviation	Explanation
AA	Audit Authority
CA	Certification Authority
CF	Cohesion Fund
CPR	Common Provision Regulation
CSF	Common Strategic Framework 2014-2020
DB	Database
EAFRD	European Agricultural Fund for Rural Development
EC	European Commission
EMFF	European Maritime and Fisheries Fund
ERDF	European Regional Development Fund
ES	Electronic System
ESF	European Social Fund
ETC	European Territorial Cooperation
EU	European Union
HTTP	Hyper-Text Transfer Protocol
HTTPS	Secure HTTP
IACS	Integrated Administration and Control System
IB	Intermediate Body
ICT	Information and Communication Technology
IT	Information Technology
MA	Managing Authority
NPRD	National Programme for Rural Development
OP	Operational Programme
OP ACD	Operational Programme Administrative Capacity Development
OPF	Operational Programme for Fishing
OPTA	Operational Programme for Technical Assistance
PA	Partnership Agreement
ROP	Regional Operational Programme
SOP E	Sectoral Operational Programme Environment
SOP HRD	Sectoral Operational Programme Human Resources Development
SOP IEC	Sectoral Operational Programme Increasing Economy Competitiveness
SOP T	Sectoral Operational Programme Transport
STS	The Special Telecommunications Service
ToR	Terms of Reference
VPN	Virtual Private Network
